Shivchhatrapati College, Aurangabad
Internal Quality Assurance Cell**

**GENERAL WRITE UP ON FEEDBACK COLLECTION, ANALYSIS
AND USE FOR IMPROVEMENTS**

The Internal Quality Assurance Cell (IQAC), M. S. P. Mandal's Shivchhatrapati College, Aurangabad ensures the collection of feedback responses by different stakeholders on curriculum, evaluation process, student centric methods, attainment of course and program outcomes, library, college and academic performance and ambience of the institution.

IQAC has a quality check mechanism involving preparation of survey questionnaires, circulation among the stakeholders, analyzing the collected feedbacks and taking consolidating the Action Taken Report for further necessary action and improvements.

IQAC ensures feedback on curriculum on the following stakeholders of society:

- Students
- Alumni
- Teachers
- Employers
- Academic performance and ambience of the institution
- Library services
- Feedback of subject experts from other universities

**Principal
Shivchhatrapati College,
Aurangabad**

IQAC works on feedback process on the following aspects of teaching-learning and evaluation process:

- Student Feedback on Evaluation Process
- Student feedback on attainment of COs and POs
- Student feedback on use of students centric methods adopted by the college teachers
- Students satisfaction survey on the overall teaching learning process

The Process:

- Preparation of questionnaire
- Circulation and distribution of the questionnaire among the stakeholders
- Students are encouraged to give their sincere feedbacks.
- Collection of duly filled feedback forms.
- Maximum number of feedback forms is collected.
- The collected feedback responses are analyzed.
- Appropriate action is taken on the feedback analysis.

After analysis of the collected feedback, necessary action is taken for communicating to the teachers, management and the affiliating university for further positive changes and necessary improvement.
