ANTI-PLAGIARISM POLICY

Policy Statement:

Anti-plagiarism practice is essential to enhance academic integrity of researchers and teachers that will create impression of an institute. Shivchhatrapati College, Aurangabad follows practices to avoid scientific misconduct in data falsification and fabrication or plagiarism.

What is plagiarism?

Plagiarism is the act of mentioning work of other researcher as their own without providing appropriate citation. It is a kind of academic dis-integrity and treated as serious issue in higher educational and research institutes. It involves any academic activity including publications of research articles, books, book chapters, dissertations, case study reports etc.

Prevention and Control:

- 1. Cite the source:** Simplest way to avoid the act of plagiarism is to add reference form where the material is extracted.
- 2. Add quotations:** Quotations can be added concerned to the text that is taken from the source.
- 3. Presenting own ideas:** Researcher and teachers can be encouraged and instructed for presenting their own innovative ideas and practices to avoid the plagiarism.
- 4. Paraphrase:** It involves rewording of the text. It should be done carefully and appropriate reference be provided.
- 5. Use of plagiarism checker:** Before communicating the research work, the article must be screened for plagiarism checking softwares such as Dupli Checker, Quetext, Copyleaks, Plagiarism Checker, Copyscape, Unicheck, Turnitin etc.
