|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Name: Priya Santosh Khadke |  |
| Department: Biotechnology | |
| Designation: Assistant professor | |
| Qualification: M.Sc. | |
| Specialization: Biotechnology | |
| Email id: priyakhadake14@gmail.com | |
| Contact number: 8484804105 | |
| Teaching experience (in years): 01 Year | |
| Research interests: | Biotechnology |
| Number of books / book chapters/ conference proceedings published: | 1 |
| Number of papers presented in seminars / conferences | 1 |
| Number of minor research projects completed / ongoing | 1 completed |

- Details of review papers published in conference proceedings:**

| Sr. No. | Title of article | Authors | Name of conference | Organizer | Date | ISSN |
|---------|----------------------------------------------------------------------------------------------------|--------------------------------|------------------------------------------------------------------|-------------------------------------------------------------------------|----------------------------|-------------------|
| 1. | Bioprospecting of urolytic bacteria isolated from caves premises and its application in bio cement | Priya S. Khadke, <i>et.al.</i> | One Day National e-Conference on "Evolving era of life sciences" | Department of Microbiology and Biotechnology Shivchhatrapati Aurangabad | 3 rd March 2023 | 978-93-92865-60-2 |
| 2. | Impact of food additives on human gut microbes. | Priya S. Khadke, <i>et.al.</i> | One Day National e-Conference on "Evolving era of life sciences" | Department of Microbiology and Biotechnology Shivchhatrapati Aurangabad | 3 rd March 2023 | 978-93-92865-60-2 |

- **Details of papers presented in seminars / conferences:**

| Sr. No. | Title of paper | Authors | Name of conference | Organizer | Date |
|----------------|------------------------------------------------------------------------------------------------------|------------------|------------------------------------------------------------------|-------------------------------------------------------------------------|----------------------------|
| 1. | Bio prospecting of autolytic bacteria isolated from caves premises and its application in bio cement | Priya S. Khadake | One Day National e-Conference on "Evolving era of life sciences" | Department of Microbiology and Biotechnology Shivchhatrapati Aurangabad | 3 rd March 2023 |
