**Subject:** Submission of analysis of students' feedback on evaluation process for the academic year 2022-23.

**Respected Madam**

With reference to the above stated subject, I would like to inform you that the internal quality Assurance Cell of our college has conducted a survey on student's feedback on the evaluation process for the academic year 2022-23.

A few remarkable points observed during the survey are mentioned below:

- Approximately 95% of students agreed that internal tests and quizzes conducted by teachers are useful for them for the preparation of university examinations.
- Around 90% of the respondents agreed that they were quite satisfied with their performance in the internal tests.
- Keeping in mind the importance of Evaluation Process based on the theory, this question was included in the survey. We received the following feedbacks i.e. 8.9% on Written Test, on 25% MCQ'S & 61% With All of them
- When students were asked about the usefulness of teaching methods adopted, were 10% of the respondents believed seminar and presentations as the useful method, 10% responded feel that online teaching is a good method and approximately 50% agreed with all the three methods.
- Majority responses (around 90%) were satisfied with the appropriate evaluation by the university.
- Nearly 85% of the respondents believe that the CBCS pattern is useful to the students.
- Approximately 85% of the students were satisfied with the marks obtained in the internal tests.
- Around 80% of the respondents were satisfied by the marks obtained by them in the university examinations.
- Approximately 80% of the students were satisfied with the redressal mechanism of university.

We believe that the survey will be useful to the University for Further Necessary Action. Please find the attachment of the detailed report for your kind perusal.

**Report of Analysis of Students Feedback on Evaluation Process**

**A) The context:**

For the sake of improvements and necessary action, the Internal Quality Assurance Cell, Shivchhatrapati College, Aurangabad had conducted a survey on the internal evaluation for the academic year 2022-2023. We believe that the survey is useful for further positive changes in the evaluation system. Feedback was collected from undergraduate and postgraduate students using a questionnaire of ten questions were circulated among the students and feedback was analyzed.

**B) Detailed feedback analysis:**

The survey on the feedback was conducted from students to collect opinions on the overall Evaluation Process. A feedback questionnaire consisted of 10 questions covering various aspects of the Process of Evaluation such as internal tests/quiz, satisfactory level in terms of marks obtained in internal & university exams, Choice Based Credit System, Teaching Method & so on. The feedback was collected from the students studying in the different classes for the academic year 2022-23. The following questions were included in the form.

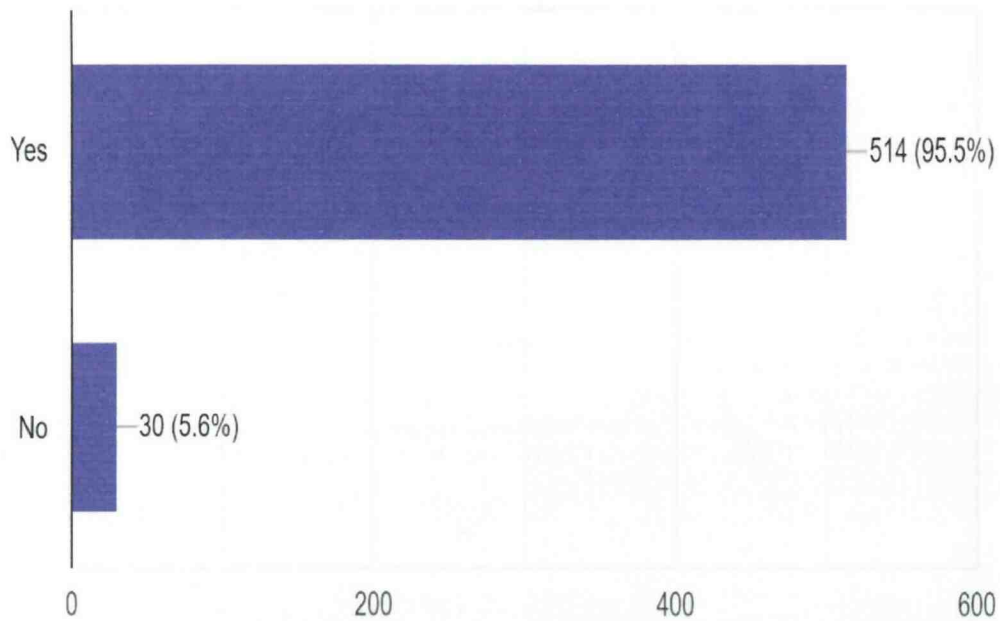

- Do you think that internal test/quiz conducted by your teachers is useful for you?
- Are you satisfied by the performance in the internal test?
- Which of the following evaluation methods are useful for you?
- Which of the following methods of teaching adopted by your teachers are useful to you?
- Do you think that current university examination pattern appropriately evaluates your performance?
- Do you think newly introduced Choice Base Credit System (CBCS) pattern is useful?
- Are you satisfied with the marks obtained in the internal examination?
- Are you satisfied with the marks obtained in the University examination?
- Are you satisfied with the Redressal mechanism of university?
- Please mention your expectations/ Suggestions to improve the evaluation process:

The survey was conducted using Questioner feedback system and a total of **538** students participated.

**Report of Analysis of Students Feedback on Evaluation Process**

---

**A) The context:**

The Internal Quality Assurance Cell, Shivchhatrapati College, Aurangabad conducted a survey on the evaluation process for the academic year 2021-22. We believe the survey as an important tool and strategy in the quality enhancement process for developments in higher education. The feedback was collected from undergraduate and postgraduate students using a questionnaire comprised of ten questions based on the various aspects of the Evaluation Process, such as Choice Based Credit System, Satisfaction Based on internal Examinations, Method of Evaluation, and Redressal mechanisms.

**B) Detailed feedback analysis:**

The detailed report of analysis of the student's feedback on evaluation process involved collecting the student's opinion about the overall internal and the university assessment process of evaluation. The feedback questionnaire was consisted of ten questions covering various aspects of the Process of Evaluation such as internal tests/quiz, satisfactory level in terms of marks obtained in internal & university exams, Choice Based Credit System and Teaching Methods.

The feedback was collected from the students studying in the different classes for the academic year 2021-22. The following questions were included in the form.

- Do you think that internal test/quiz conducted by your teachers is useful for you?
- Are you satisfied by the performance in the internal test?

### **C) Discussion and conclusion on the Students Feedback on Curriculum**

- 100% of the respondents agreed that internal tests and quizzes used by their teachers are useful for them.
- 100% of the respondents agreed that they are satisfied with their performance in the internal tests.
- Keeping in mind the importance of Evaluation Process based on the theory, a question was asked on the most useful method of evaluation. We received the following feedbacks i.e. 4% on Written Test, 11% & 11% on MCQ'S & Practical's respectively, whereas 74% students responded all the three methods as useful to them.
- When students were asked about useful methods of teaching, 4% replied that Online Teaching method is useful for them; 15% on Seminars/Presentation; 19% On Classical Teaching, 62% on All of these method.
- 85% respondents agreed with the appropriate evaluation of the university examination.
- 93% Students agree with System of CBCS pattern.
- 90% of the student agrees with satisfaction for the marks obtained in internal examination.
- Around 90% of the students are satisfied with the marks obtained in the university examinations.
- Approximately 85% of the respondents are quite satisfied with the Redressal Mechanism of university.
- **Suggestions from students:**
  - ❖ The curricular activities conducted by the college are at the best level.
  - ❖ All process is good and these processes follow continually.
  - ❖ Amendments must be made in syllabus of subjects like law, taxation.
  - ❖ Need more Lab Facilities.
  - ❖ Need Some Extra activities related to subject
  - ❖ Provide IT Companies for placement.
  - ❖ Result Declaration on Proper time.
